

DIRECTIONS TO LILOM

BY PRIVATE CAR:

Drive down South Superhighway all the way to STAR Tollway and take the last exit at Batangas City. At the traffic circle/rotonda, exit towards the Batangas Sea Port / Wilcon Builders. As you approach the flyover, keep right and take the underpass. Turn right heading towards Bauan.

Note: A short cut option is to turn right on the first small road after Wilcon Builders. Just stay on this narrow road until you hit a skewed intersection where people are alternately directing cars to drive through a one lane street (toss them a few coins for the effort). Stay on the road until you hit the main national road again. You will be in San Pascual, there will be an Andoks to your right, a Caltex station right across. Turn right here to head towards Bauan. You would have bypassed the port of Batangas

Turn right at the Jollibee and follow the one way road with the market on your left. When you get to the main road again, keep right and drive on til you pass a bridge, see a Petron gas station on your right and the Bauan Hospital on your left . Make a sharp left after the hospital. (If you go straight that will take you to Taal and Lemery)

Drive on about 30 minutes until you reach the Mabini shrine and a fork on the road, turn right towards Anilao. Right before you approach Anilao Port and market, turn left and drive for about 9 kilometers to Lilom. NOTE: this would be a good point to call our staff to let them know you are near

Beach Carpark:

After the Bagalangit covered basketball court and chapel on the right, there is a narrow and twisty road that leads to the beach (you will see turn off signs for Arthurs Place and Crystal Blue resorts). You can carefully go down this road to the beach and turn left towards Crystal Blue, we have parking spaces right after Arthur's Resort and before Crystal Blue. From here, there is a 200 meter walk to Lilom, where you will have to balance and traverse a stone fence. Our porters will assist you when you get here.

Hilltop Carpark:

Alternatively, if you drive past the basketball court, cross the San Teodoro welcome archway, in 200 meters' you will see a small store and a white sign for Lilom. Someone will meet you here to let you know where to park, assuming you contacted our staff earlier. From here, there are about 220 steep steps going down under a canopy of trees that will lead you directly to Lilom. When you arrive during high tide, it is best to use this parking area. Please keep in mind if you are taking this parking option, you will of course have to climb up the same 220 steps to get to your car when you leave.

IMPORTANT:

- Please text or call our staff to let them know you are near so that they can give you further instructions and meet you at the carpark. The mobile number will be sent in your confirmation letter after you've booked and made your deposit. Please read the confirmation letter!
